Dr. Patwardhan,

I wanted to personally thank you for delivering a wonderful speech at our LSRT Mid-Winter Conference in Shreveport, LA. Your lecture on Exciting Advances in Brain and Spine Surgery was not only informative but very creative. Many of the techs commented on how you captured their attention with your innovative powerpoint presentation and kept them interested. Thank you again for helping the LSRT offer a diverse lecture program for radiologic technologists who are seeking to obtain continuing education credits.

Sincerely,
